Parliament to Convene for Its Session on March 12th

Meeting of Cabinet Will Hold Public Hearings at Ottawa Today, at Which Arguments May Be Presented For and Against Existing Tariff Rates — To Adhere to Policy Made Public at Special Session of Overhaul-Complete Tariff Structure as Soon as Possible.

SEVERAL PROBLEMS FOR HOUSE

Meeting his Cabinet, Thursday afternoon, Premier Bennett March 12th, as the definite date for the calling of Parliament. Premier then followed this up by stating in the evening that a meeting of the Cabinet would hold public hearings in Ottawa to-day, arguments might be presented for and against existing tariff rates dealing with farm and agricultural products will be examined. This was interpreted as meaning that the Government will announce its policy, as announced during the special session of Parliament, of overhauling the complete tariff structure at an open in March.

Premier Bennett, as Minister of Finance, presented his House of Commons in September, he made clear the intention put into force were designed to meet extraordinary conditions only, and coupled with that the statement that a full revision of the whole tariff might be expected at the winter session. He also promised that public hearings would be held before the revision was made, and that arguments might be presented for the existing rates of duty. The hearing being held in Ottawa is believed to be the first of several that will take place in the wholesale revision of the tariff at the session to be held in March.

Significant subjects, with pronounced importance both from a domestic and international standpoint, likely will develop before Parliament in March. It is believed probable that an early reply from President Hoover respecting negotiations for the St. Lawrence River development will be made. Disposal of Canada's wheat duties for duty purposes on automobiles, amendments to the North America Act as proposed at the last Imperial Conference, questions of taxation and falling revenues are other subjects which occupy the attention of the Cabinet in the interval before the session. Some of them together with the question of the national radio, as proposed in the Sir John Aird report, likely will be discussed after that date, and will be debated on the floor of the House.

LADY AIKIN BURIED IN STANSTEAD

Thousands of people whom she had befriended during her half-century residence in the West End, gathered for the funeral of Lady Aikin, widow of Sir John Aikin, Lieut-Governor of Ontario, who died in the Crystal cemetery, Stanstead, the place of her birth.

Funeral services were held in the afternoon. Rev. L. Pidgeon, of Montreal officiated. The pall-bearers were George T. Ames, Arthur E. Curtis, J. St. Pierre, Alfred Coles and G. Butters.

While the numerous floral tributes were being taken from the church the choir sang Lady Aikin's favorite hymn, "Abide with Me".

Among the out of town relatives who were present at the funeral were: Major and Mrs. Fred J. Ney, (daughter), Dr. and Mrs. Cook, (sister), all of Winnipeg; Mrs. Norwick Chipman, Dr. Charles Colby and George Butters, of Montreal and Mr. and Mrs. Forester of Toronto.

ON BENEFITS EXTENDED TO MANY MORE PROVINCIAL WORKERS

Employees of Government, whether in Civil or Not, to Receive Benefits of Service — Over \$1,000,000 Spent in Charge of Work.

LABOR UNDER A MEASURE BROUGHT BY J. E. PERRAULT, MINISTER OF LABOR, WHICH WILL BE EXTENDED TO EMPLOYEES OF GOVERNMENT

Under a measure brought by J. E. Perrault, Minister of Labor, the pension law will be extended to employees of Government who do not officially qualify for benefits at present. The measure reads as follows: Public officer or employee of Government who has been a member of the pension fund for service for at least five years, and who accepts a new employment or office to which it does not apply shall, upon the expiration of this act, be deemed to be a member of the pension fund by the annual deduction of one per cent, or five per cent, of his salary, as the case may be, beginning before or after December, 1916.

Less, if the act governing the pension fund provides a pension for the employee, the latter may, upon the expiration of this act, be deemed to be a member of the pension fund by the annual deduction of one per cent, or five per cent, of his salary, as the case may be, beginning before or after December, 1916.

WINDSOR MILLS PAPERMAKERS HELD MEETING

J. A. D'Aoust, Representative of International Brotherhood of Papermakers in Quebec, Attributes Depression to Two Causes.

UNEMPLOYMENT

Windsor Mills. — The present unfavorable condition of the papermaking industry in the Province of Quebec should be blamed chiefly to two causes, said Mr. J. A. D'Aoust, representative of the International Brotherhood of Papermakers in Quebec, at a meeting of the Springvale local No. 92.

The manufacturers, declared Mr. D'Aoust, have through their unwise policies over-developed and over-capitalized the business, and failed to make known the conditions to the provincial authorities. The other cause of the depression he attributed to the bankers, who were too anxious to sell their securities.

The mistakes of these parties are now causing unemployment among the workers in some mills and partial unemployment elsewhere.

POLIQUIN WILL MOUNT GALLOWES ON FRIDAY NEXT

Expected that Condemned Man Will Be Brought Back to Sherbrooke Couple of Days Before Execution.

FRIDAY MORNING

To a man in the death cell in Bordeaux Jail, in Montreal, Friday, February 13th, marked the beginning of the last week he has to live. He is Antonio Poliquin, twenty-five year-old Sherbrooke man, who will ascend the scaffold there next Friday for having murdered his twenty-one-year-old wife, Maria Carmella Caminaro, a year ago last New Year's eve. Poliquin was sentenced to death at the end of his trial on November 24th last, by His Lordship Hon. Justice Charles D. White after a jury had taken but ten minutes to deliberate on the evidence produced before them to decide his fate. Since the (Continued on page 2)

Decrease is Indicated in Collections

Collections in Vermont Customs District During January Amounted to \$382,375, Which is Less Than During Preceding Month But more Than in January.

HAY LEADS

St. Albans. — Dutiable importations aggregating \$382,375 in value entered the Vermont Customs district during the month of January, and paid duties amounting to \$78,388, according to the monthly statement just issued by Collector Harry C. Whitehill. While this amount is \$35,000 less than the duties collected during the preceding month, it represents an increase of more than twelve per cent over collections for the corresponding month a year ago.

Mild Spell

Slippery, treacherous roads, extremely dangerous for automobile traffic, were brought about by the mild spell of weather which was experienced in this district during the past few days, following the intense cold spell. The sudden thaw and uncomfortable drizzle which occurred the latter part of last week, was abruptly checked by a cold spasm, and as a result the streets and sidewalks were rendered icy and very slippery. The snowfall which began this morning being the first snow in a long time, serves to better motoring conditions.

HON. L. LAVERGNE, FORMER MEMBER FOR DRUMMOND-ARTHABASKA, DIES

Was in 86th Year — Former Senator Prominent in Both Federal and Provincial Politics — Liberal M.P., Here from 1897 to 1910.

BIOGRAPHY

Hon. Louis Lavergne, former Senator, died Sunday at his home in Arthabaska, Que., at the age of 85. Mr. Lavergne was well-known in both Federal and Provincial political circles. He sat in the House of Commons as Liberal member for Drummond-Arthabaska from 1897 to 1910, when he was appointed to the Senate. He resigned his senatorship last year and was replaced by the Hon. Georges Parent, former member for Quebec West.

Mr. Lavergne was born at St. Pierre de Montmagny, son of David Lavergne and Marie Genevieve Delegrave. He was educated at Sainte Anne de la Pocatiere College and became a notary public in 1871. He replaced his brother, Joseph, as Liberal member of the House of Commons for Drummond-Arthabaska in 1897 and occupied that post until 1910, when he was appointed to the Senate. For some time, while in the House of Commons, Mr. Lavergne was chief Liberal whip for the province of Quebec.

The former senator was twice married; his first wife was Eugenie Landry, and his second, Alida Pacaud, widow of William Duval, Arthabaska. Madame Lavergne has been dead 13 years. He leaves a son, Renault Lavergne, lawyer, of Arthabaska, and a daughter, Marie-Louise, wife of Hon. Albert Malouin, retired judge of the Supreme Court.

The funeral were held at Arthabaska, to-day.

SHORT AGRICULTURAL COURSES TO BE HELD SOON IN E. TOWNSHIPS

In Five Different Towns, Including Drummondville — Course to Be Given Here from March 10th to 13th.

Short courses in agriculture, sponsored for the welfare and education of the farmers, will be held in five different towns of the Eastern Townships during the coming month, it was decided last week at a meeting of the county agronomes, held at Sherbrooke.

These courses, which are to last three days each and will be similar to the one held in Lennoxville recently, will be given in Asbestos from February 17th to 20th; in Waterloo, from February 24th to 27th; in Lake Megantic, from March 3rd to 7th; in Drummondville, from March 10th to 13th, and in Magog, from March 17th to 20th.

The usual routine work was carried out in regard to the calf clubs, the boys breeding clubs and other agricultural undertakings which are finding favor with farmers throughout the Townships.

The session was presided over by Mr. F. N. Savoie, director of the county agronomes of the Province of Quebec. There were also present Mr. E. Boivin, inspector of the county agronomes of the local district and Mr. J. A. Leclere, inspector for the Montreal district.

A large number of county representatives attended the meeting. Mr. A. R. Rousseau represented Compton; Mr. J. E. Lemire, Wolfe; Mr. O. Salois, Richmond; Mr. W. MacDougall, Stanstead, assisted by Mr. J. C. Woodward; Mr. C. E. Rioux, Sherbrooke; Mr. L. D. McClintock, Brome; Mr. O. Descostes, Shefford; Mr. J. Beliveau, Megantic; Mr. D. Fortin, Arthabaska; and Mr. F. Pothier, Frontenac.

EASTERN TOWNSHIPS PROBLEMS WERE DISCUSSED BY BOARDS OF TRADE

Several Matters of General Interest on Agenda — Officers Elected.

The annual joint meeting of the Eastern Townships Associated Boards of Trade and the Eastern Townships Immigration Society was held in Sherbrooke, last week, presided over by J. Keith Edwards, of Sherbrooke, and B. N. Robinson, of Coaticook, presidents of the respective organizations. A number of matters of special interest to this section of the province were discussed at the session which was attended by representatives of various individual Boards of Trade throughout the Townships.

The principal speakers heard included Dr. F. H. Pickel, M. P., of Sweetsburg; Dr. G. A. Bowen, of Magog; John Nichol, of Lennoxville; H. W. S. Downes, ex-Mayor of Lennoxville and Antonin Deslauriers, Sherbrooke City Clerk. Dr. Pickel gave an interesting address on farm problems of the Eastern Townships, advocating that more farmers be sent to Ottawa from rural communities so that the legislation passed by Parliament might be of more benefit and protection to this class of the population.

LABOR MEASURE TO COME UP THIS WEEK

Quebec. — Hon. J. N. Francoeur's Workmen's Compensation Bill will make its appearance before the Legislative Assembly in the course of the week just commenced, and as has been repeatedly announced it will follow the lines of the Ontario Act. A study of the new act confirms the Government's statements in this respect.

The new act embraces all branches of manufacturing, as in Ontario, but there are certain exceptions which come under another schedule. These exceptions are the Government of the province, a permanent commission of the Government, municipal and school corporations, church corporations or other corporations of that nature, public service, commissions which are engaged in an industry or industries for municipal services, and the federal Government and its organizations.

The public bodies enumerated will have to pay the same indemnities to their workmen but only to the extent that they employ workmen as an ordinary corporation would do.

E. T. NEWS OF INTEREST

LAD INJURED

Bury. — Flung against a telegraph pole when he struck an automobile while sliding down the school hill here, seven-year-old, Charles Bown sustained severe bruises and a possible fracture of the skull.

The accident occurred Saturday afternoon. The little fellow had watched two teams pass at the bottom of the hill, but failed to detect the oncoming automobile. The car was driven by Mr. R. Lapointe, and his first glimpse of the lad was as he sped into the roadway. The driver jammed on his brakes, and succeeded in bringing his motor almost to a stop, when the boy crashed into the front runners. The lad was flung back by the impact against an electric light post.

Medical assistance was immediately rendered the unfortunate lad. It was feared he had sustained a slight fracture of the skull. His condition is not necessarily critical.

Alberta Scene of Struggling Gold Seekers

Facing Privation and Death, Four Hundred Prospectors Hunt for Treasure in New Gold Strike Area of Alberta's Foothills.

CLAIMS STAKED

Cargary, Alta. — Four hundred treasure seekers struggled today to stake claims in a new gold strike area of Alberta's foothills. Meanwhile, provincial police feared a cold wave might bring privation and death. On the rocky slopes of Livingston Valley, about one hundred miles south west of Calgary, the prospectors moiled in an area where nuggets of value were said to have been found.

"We do not want to be carrying out frozen men", said Inspector J. O. Scott, Commanding Officer of the Lethbridge Division of Provincial Police.

Lecture

On Thursday evening next, Feb. 19, Prof. H. E. Reilley of the department of Physics at McGill University will deliver his Lecture on "Liquid Air and low temperatures" in the St. George's Hall. The Lecture will be illustrated by numerous lantern slides and experiments and an interesting evening is in store for all who attend.

This Lecture was originally scheduled for Feb. 5th but had to be cancelled an account of Prof. Reilley being called away on business. Realizing the disappointment caused to many of the members and friends the club committee were successful in making arrangements for the Lecture to be given this week. It is hoped that a large number will endeavour to be present.

SPORT NEWS

FOR LEAGUE CHAMPIONSHIP

To-morrow night and Friday night, weather permitting, the Drummondville and the Celanese clubs will play for the championship honors of the town league here. Mr. L. Cadioux, the donor of the championship cup, will "face the puck" at the opening game. It is understood that the total of scores tallied during both games will decide who wins. Small individual cups will be given to the winning players.

COMING HOCKEY GAMES

Sunday afternoon, the Braves, of Montreal, will be back on the local ice. Friday, February 20, it is most probable that the U. McGill team will pay us a visit, coming here accompanied by a large number of their supporters. They were here last year and the game was very much enjoyed. The management hopes that arrangements are made for the local team to play in Sherbrooke at the beginning of next month.

D'VILLE 2; C. P. ST-HELENE 1

One of the most enjoyed games played on the local ice this season was witnessed by a good crowd of fans, Sunday afternoon, when the locals measured against the C. P. St. Helene sextette, of Montreal. The visiting team was downed by a 1 to 2 score, losing a game for the first time this winter. It has three victories over the St. Viator squad and the latter won against the D'villers two weeks ago. So it all shows that, in hockey as in anything else, one can never tell what may be next!

In the last league game in which they took part this season, the St. Francois players were downed by the Celanese boys by a definite 3 to 0 score. The play was fast and brilliant, and the goalers were kept busy as busy as trying to stop Mr. Puck from intruding into the nets. Only two penalties were distributed during the entire meet, which shows that our puck-pushers very nicely abided by the rules, and knew better than to demolish their opponents in the sacred name of ambition.

Aikman Winner in Sherbrooke Badminton Meet

Retains Singles Crown, and, With A. H. Billham, Defends Men's Doubles Laurel — Takes Mixed Doubles.

Sherbrooke, Que. — C. W. Aikman, of Montreal, and Miss Margery Barrow, of the Quebec Winter Club, were the shining stars in the province of Quebec badminton championship tournament, which was concluded on the local courts Saturday afternoon. Aikman, playing at top form, carried off three titles, while Miss Barrow ran him a close second for the premier honors with victories in two of the finals. The clever Montreal racquet wielder retained the men's singles. Partnered with A. H. Billham, of the Montreal Winter Club, again won the men's doubles; and with Miss Mabel Biltcliffe, carried off the mixed doubles title. Miss Barrow and Miss Marguerite Delage retained their ladies' doubles title, won last year at the Ancient Capital, while the former defeated her partner in the former defeated her partner in the final for the ladies' singles crown. Two championships changed hands during the tournament, which was one of the most successful in the history of the Province of Quebec Badminton Association. The ladies' singles, last year held by Miss Dorothy Mowat, of Montreal, went to Quebec in charge of Miss Barrow, while Miss Biltcliffe and C. W. Aikman are the possessors of the mixed doubles laurels, held last year by Mrs. Archibald and A. H. Billham.

Play throughout the tournament was keen and exciting, the events were run off with clock-like regularity, and there was not a single protest or dispute throughout the play; in fact, as stated by Edgar Wiggs of Quebec, past president of the P.Q.B.A., it was one of the best-run tournaments on record in this province.

Possibly the most interesting final was that of the ladies' doubles in which the Misses Barrow and Delage defeated Mrs. J. Porteous and Mrs. C. Allen, Montreal, by 15-8 and 15-9; while in the men's doubles Jack Cameron and H. C. Bowen, of the Montreal Winter Club, gave Aikman and Billham a real fight for the honors.

Following the close of the tournament the visitors were guests of the Sherbrooke Regiment Badminton Club at a dinner and dance, during which the prizes were presented by Mrs. Gordon Miller, assisted by Edgar Wiggs.

Molson's Symphony Orchestra

Goes on the Air Tuesday Night — Outstanding Artists Will Be Special Weekly Features.

Molson's Brewery Limited of Montreal, one of the oldest companies in Canada, goes on the air Tuesday night, February 17th, with a weekly program of popular orchestral music.

An exceptionally fine symphony orchestra has been engaged under the able leadership of J. J. Gagnier, well-known musical director and composer of Montreal, and internationally known as Conductor of His Majesty's Canadian Grenadier Guards Band, Montreal.

Mr. Gagnier is thoroughly grounded in the romantic and musical traditions of this province and has a splendid understanding of the musical tastes of French-Canadian audiences.

The underlying motive in Molson's Orchestral program is to bring to the people of this province a better understanding of the musical and historical traditions for which Quebec is justly famous. Some of the more interesting episodes in the history of the province will be briefly but graphically described during some of Molson's Tuesday night programs.

The guest artist for the first broadcast will be Madame Jeanne Dusseau, internationally known soprano.

Madame Dusseau, who received practically all her musical training in Canada, has appeared as leading soprano with the Chicago Opera Company where she sang with such famous artists as Galli-Curci and Mary Garden.

This talented singer is very popular with Quebec audiences because of her exceptionally fine interpretations of the folk songs of France and French-Canada.

Madame Dusseau has just sailed from London to take part in Molson's opening program. While in Europe she sang in England, Scotland, Holland and France. In England, Madame Dusseau was guest artist on several Sunday afternoon programs over the British Broadcasting Company's stations.

The enable everyone in the Province to hear this entertaining and instructive program, Molson's are using stations in both Montreal, and Quebec. Radio listeners in this province are assured of a very entertaining hour as guests of Molson's Symphony Orchestra, every Tuesday night at 10 o'clock.

 mills are operating only two, three, and four days a week. Some companies are also reducing the wages of the employees by ten and fifteen per cent. It was also pointed out that the workers are now the victims of over production and over capitalization.

OFFICERS ELECTED

In Windsor Mills, the Canada Paper Co., reduced the wages of the employees by ten per cent, on the first of November, and several weeks after attempted to cut the wage again by five again. The men reorganized their local for the purpose of protecting themselves.

At this meeting the election of officers was held. The following officers were elected: Mr. Denis McCarty, president; Mr. Arthur Laundry, vice president; Mr. Frank D. Harper, correspondent secretary and Mr. Henri Botlier, financial secretary.

The local appointed Mr. McCarty to represent this branch at the convention of the International Brotherhood of Paper Makers in Montreal on March 3rd.

Another important matter that was discussed at the meeting was the minimum wage law of the Province of Quebec, for young girls who are employed by the Canada Paper Co. The existing rates will be compared with the rates according to law, and if the wages

paid are too low taken by Mr. J. A. Trades Congress matter before the minimum wage matter before the minimum wage request that wages to the law.

WAITING FOR 8.30

Mother and Anne had always been very close to one another. When Anne married and moved to another city, each missed the other greatly.

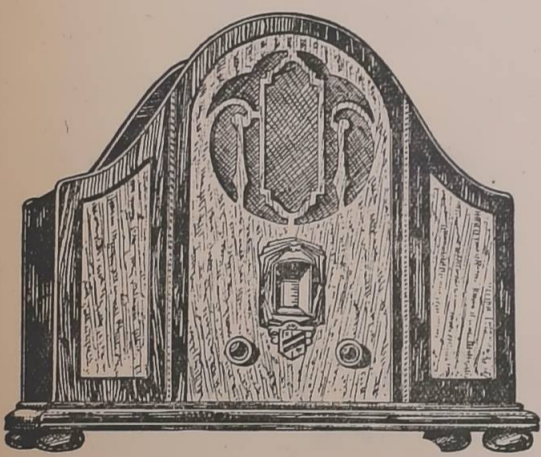

But one thing more than any other has helped to keep them close — the telephone. Every Friday evening Anne calls her mother by Long Distance . . . after 8.30 p.m. when the low night rates are in effect. During the week they both keep memos of topics they wish to discuss. Then there is no time lost . . . and nothing forgotten.

What if they are 120 miles apart! The telephone connection is made in about a minute — nearly always while Anne holds the line. Their voices are just as clear as on local, and the cost, after 8.30 p.m., is only 40 cents.
